Create a wedding ceremony that is unlike any you've experienced...fresh, relaxed and elegant. Gather friends and family to witness your vows at a beautiful country venue. Three charming settings...

The Meadow: Next to the vineyard and surrounded by the orchard, the Meadow is ideal for couples who need to accommodate a larger guest list. Open and inviting, this area easily seats 200 guests...or more.

The Glade: Nestle a smaller gathering into our intimate pond-side setting, protected by sheltering shade trees. Gently sloping landscape forms a natural amphitheater and provides a waterscape backdrop for your ceremony. Seats up to 75 guests.

The Apple Barn: The century-old barn that holds our apples in autumn is transformed into a unique setting for a cozy winter wedding. Decorated for the holiday season with hundreds of twinkle lights. Available Nov. 1 – Dec. 31.

Cheers!

*After the ceremony...
